

## General Rules of Harbour / Addition to the contract for berths

This port is a private property

**In addition to the legal rules and regulations, following additional instruction apply to this port:**

1. In order for other boats or the piers are not getting damaged, special care has to be given by departure and arrival of the boats. Laterally enough fenders have to be attached as necessary.
2. The boats must be fastened parallel to the separator boxes or with the rear to the buoy.
3. The mooring place nearby the gas station and the sewage pump station are only reserved for their use and therefore must be released immediately after use.
4. The key for the gate can be picked up at the restaurant Mathilda Marina for a deposit of € 20.00. It is issued only one key per mooring. It's not allowed to handle out this key to third parties.
5. It is important to ensure that the gate is always closed.
6. In case of prolonged absence (empty berth) this must be reported to the harbor master. The landlord is entitled to sublet this place during the absence. This option is included in the berth rental.
7. For an overnight berth you have to log in to the harbor master (restaurant Mathildan Marina).
8. For all berth tenants the use of the infrastructure in the port is free. These include the sanitation, electricity and water supply, sewage pump station and the waste disposal. The disposal of hazardous waste in the port (eg. oil) is prohibited. Electricity may not be used for boat heating.
9. In order to avoid any accidents, piers must be kept clear from ropes or other loose objects.
10. Parents are fully responsible for their children's safety.
11. Swimming in the harbor area is prohibited.
12. Dogs must be kept on a leash and their droppings must be immediately removed from the holder
13. Familiarize yourselves with the placement of the rescue equipment and fire extinguishers.
14. Open fire in the port area and in the boats is not permitted. For this purpose there are special grill locations on the harbor area.
15. The maximum speed in the harbor area is limited to 5 knots / h.
16. Possible damage to foreign boats, to piers and other objects in the harbor area must be reported immediately to the harbor master.
17. The waste must be separated and disposed at the designated locations accordingly.
18. The parking spaces are free of charge for guests and boat place renter. Long-term parking is not allowed.
19. Trailer parking spaces can be rented for € 40.00 / month.
20. The rest period between 11 pm - 7 am must be strictly observed.
21. The harbor master is authorized to direct area all the ones from the harbor area who violate the port regulations.
